World AIDS Awareness Day

World AIDS Day, designated on 1 December every year since 1988, is an International day dedicated to raising awareness of the AIDS pandemic caused by the spread of HIV infection and mourning those who have died of the disease.

National Pollution Control Day

National Pollution Control Day is observed on December 2 every year. It commemorates those who lost their lives in the 1984 Bhopal Gas tragedy on December 2nd and 3rd.

Notice Board Decoration

Parents – Teachers Meeting

International Day of Persons with Disabilities

Every year December 3 is observed as the International Day of Persons with Disabilities. The observance of the day aims to promote an understanding of disability issues and mobilize support for the for the dignity, rights and well-being of persons with disabilities. On this day class 11th maths students presented a skit.

Oath for Road Safety

Human Rights Day

Human Rights Day is celebrated annually around the world on 10 December every year.

National Mathematics Day

The Indian government declared 22 December to be National Mathematics Day. It was introduced by former Prime Minister Manmohan Singh on 26 December 2011 at Madras University, to mark the 125th birth anniversary of the Indian mathematician Srinivasa Ramanujan.

on the occasion of National mathematics Day our 9th class students presented a skit showing importance of mathematics in our life.
